Find the right size
We strongly recommend that you get samples to determine your preferred size and fit. If time constraints don't allow for samples, please refer to our sizing guide below.

In-between two different sizes? If you like a looser fit, choose the larger size. Do you prefer your athletic wear to fit a bit tighter? Then pick the smaller size.

## Suggested Tip

Determine your size by measuring a jersey you currently use and compare it with the charts here. Simply lay the jersey flat across the ground and measure the length and width. Then compare these values to our size table.
